

FDOT Maintenance of Traffic (MOT) Intermediate Refresher (Course Summary)

Length of Course: 8 hours

Course Description:

- The Florida DOT Management of Traffic course will teach participants the required knowledge to create safe work zones on public roads and highways.
- This course is required by Florida Law for all persons with duties that include any of the following activities:
 - Direct responsibility for placement of work zone traffic control devices;
 - Direct responsibility for field maintenance of work zone traffic control devices;
 - Inspection of the placement or operational function of work zone traffic control devices;
 - Drafting or electronic generation of work zone traffic control plans.

Topics include:

- Classroom and field demonstration of the MUTCD, Index 600 series design standards.
- Workshop exercises selecting and setting up a number of sample work zones.
- Flagging operations and providing basic “flagger” training.

- | | |
|---|---|
| <ul style="list-style-type: none"> • Paving Companies • Excavation Companies • Landscapers | <ul style="list-style-type: none"> • Utility Companies • Roadway Repair Companies • Anyone who works on or near roadways |
|---|---|

Prerequisite:

- A copy of a valid and current MOT certificate of training is required at the time of registration
- In addition the students must bring their original training certificate to the class for instructor verification

Delivery Options Available:

Classroom	A lot can be said about the value of a good course facilitator. For that reason this course is available via our classroom facilitators.
On-site	If it's more convenient our facilitators can come to you! We'll work with you to customize and deliver the program to your specific audience at your location. If at least 10 employees require training the on-site option will save you time and money and will be more relevant to the participants.

Upcoming classroom dates/ locations:

- Refer to the Safety Links training calendar at <http://www.safetylinks.net/c1.asp> for upcoming classroom dates and locations.

Pricing:

- \$95 per participant (Safety Partner™)
- \$140 per participant (Non-Partner)

Multiple participant savings (Total Seats)	Discount
5-9	10%
10-24	15%
25-49	20%
