

Workplace Violence Prevention and Management -Course Summary-

Length of Course: 4 hours	
Course Objectives:	
<ul style="list-style-type: none"> Workplace Violence Prevention and Management is a half-day course designed to instill awareness of the deadly phenomenon of workplace violence. This course it provides participants with the tools necessary to assess acts or threats of violence and to deal with them appropriately thereby preventing violence from occurring. This workshop does something that cannot be accomplished by canned videos, CD's or other computer-based training systems. It answers the tough "what if" questions posed by your employees. 	
Topics include:	
<ul style="list-style-type: none"> Initial Assessment and Security Review Developing an Effective Written Policy Statement Developing an Written Violence Prevention Plan 	<ul style="list-style-type: none"> Education and Training Incident Reporting and Investigation Post-Incident Follow-up Organizational Recovery Program Evaluation
